

April 13, 2021

Dear Parents/Guardians:

LEAP Testing is quickly approaching. All 3rd- 5th grade students are required to take the test at school. Students that do not take the test will receive a zero. Testing will be administered in a socially distanced manner in which we follow the recommended guidelines of the CDC, Louisiana Department of Health and local officials. We will have small group testing arrangements. Students who have been attending school face to face will test with one another. Students that attend school virtually will test with other virtual students.

The LEAP testing schedule is as followed:

Grades 3 and 4: Wednesday, April 28 – Tuesday, May 4, 2021

Make Up Dates for Grades 3 and 4: Wednesday, May 5-Thursday, May 6, 2021

Grade 5: Monday, May 10- Friday, May 14, 2021

Make Up Dates for Grade 5: Monday, May 17-Tuesday, May 18, 2021

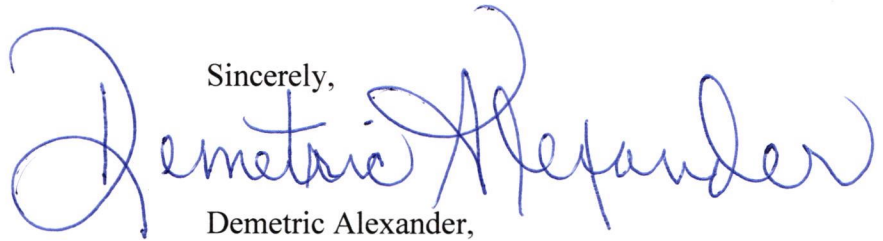

All students participating in testing will remain at school the entire school day until dismissal. We will not have student check-outs during testing. We will not have visitors on campus during testing.

All students in grades PreK-2 will not attend school and remain home for at home learning on Wednesday, April 28- Tuesday, May 4, 2021.

Parents of virtual students in grades 3-5, please complete the electronic survey by Friday, April 16, 2021 for each child you have in grades 3-5. The survey is located on our website at www.bernardterrace.com The link will be sent via Class Dojo, Remind, and posted in upper grade teacher's Google Classroom as well.

Thank you for your cooperation during this unique testing season.

Sincerely,

Demetric Alexander,
Principal
