## Bullying 101

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. **The behavior is repeated over time.** Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. There are many roles that kids can play. Kids can bully others, they can be bullied, or they may witness bullying. When kids are involved in bullying, they often play more than one role. It is important to understand the multiple roles kids play in order to effectively prevent and respond to bullying. There are many other types of aggressive behavior that don't fit the definition of bullying. This does not mean that they are any less serious or require less attention than bullying. Rather, these behaviors require different prevention and response strategies. If you suspect your child is being bullied or is a bully, please contact the school and speak with our Dean of Students, Mrs. Barnes

## Teacher of the Year

Congratulations to Ms. Shakia Davis. She is Bernard Terrace's Teacher of the Year. Ms. Davis is an amazing teacher who provides rich learning experiences for her students. We are happy to have her represent Bernard Terrace.

## Walkers

All walkers walk to the designated area where crossing guards are located at the corner of Hatcher and Edison Street. Please do not drop off or pick up students in vehicles if they are considered walkers. **Walkers that are picked up in cars will automatically be sent to the carpool line.** Additionally, they will lose recess. This protocol is in place for the safety of our students.
